

SIUE Grant Terms and Conditions, 2018- 2019

Award Details

The SIUE Grant is valid fall and spring semesters and will be continued, if renewal conditions are met, for eight semesters of undergraduate study across four academic years. The grant will be credited to the student's university account each semester. The grant may be applied toward charges in an SIUE professional program. By accepting this grant as part of your financial aid award you agree to the terms and conditions of the grant detailed herein. Financial aid awards will be available beginning in early 2018 and can be accessed through your CougarNet account (siue.edu/cougarnet). Students must register and pay the enrollment fee for Springboard to Success (siue.edu/springboard) by May 1, 2018 in order to receive the award.

SIUE Grant in combination with other awards and financial aid

The SIUE Grant will be applied to university charges on the student's account such as tuition, fees, housing and meal plan. SIUE Grants will be considered awards to meet financial need in the packaging of financial aid and will never exceed the student's budget. Should the crediting of the grant in combination with other financial aid result in excess funds on the student's account, the excess may be refunded to the student for personal expenses and books.

Academic performance and student conduct

Continuance or renewal of the grant requires completion of the FAFSA (Federal Application for Federal Student Aid) each academic year **as soon as possible beginning October 1**. The SIUE Grant may be renewed per EFC information listed below:
