

Final Exam Schedule – Fall 2019

These schedules apply only to full-term (i.e. 16-week) courses. **All other classes will administer final examinations during the final class session.**

For scheduling purposes, classes are divided into three categories:

- Finals for all day-time sections of **MATH 120, 125, 145, 150, and QR 101** occur at 2pm on Monday of Finals Week and do not follow the Type A/Type B classification system that follows.
- **Type A** classes are those that meet during day-time hours on Tuesdays and Thursdays, on Tuesdays only, or on Thursdays only.
- All other weekday classes are considered to be **Type B**.

Final Exams Conflict Policy

If you have more than two final examinations scheduled for the same day, or have two examinations scheduled for the same time, you may request that one of the examinations be rescheduled. You can accomplish this by working directly with your instructors or by submitting a written request to the Assistant Vice Chancellor for Enrollment Management, in Rendleman Hall 1207. The request must include your name, your student identification number, and list of scheduled courses, and must be received by the Assistant Vice Chancellor at least two weeks prior to the first day of the examination period.
