Key Student Employment Dates

Students may begin using Student Job Finder to locate on and off campus jobs 2 weeks prior to the break week preceding each term. To be eligible, students must be enrolled and meet other employment criteria for the upcoming term.

Students may begin working the break preceding the start of classes each term, provided enrollment and other employment criteria requirements have been met. Below are the dates for each semester.

This schedule may be updated due to changes in the academic calendar.

| Semester | *First day to view jobs in SJF | First day to work on campus | Classes begin | Last day to view jobs in SJF | +Last day to work on campus |
