Philanthropy

Alpha Phi’s Philanthropy is Women’s Cardiac Care and we hold two events to raise money and awareness for this cause. Our first event is Red Dress Gala and our second event is King of Hearts.

Red Dress Gala

Red Dress is a silent auction where we invite family and friends to come see what Alpha Phi is about. We hold a dinner and silent auction for everyone to bid on. All the money that is raised and donated goes to the Alpha Phi Foundation to support Women’s Cardiac Care.

King of Hearts

King of Hearts is one of our favorite events! It’s a male fashion show and our Greek community as well as other organizations come and support our Philanthropy. It is entertaining and at the end of the event we pick a “winner” and name him Alpha Phi’s “King of Hearts”
