AI USE POLICY

Light Assistance with Non-Substantive Tasks. In this course, students must be the primary and majority authors of text, code, analysis, and all course work products and assignments. Students are permitted to use AI to generate ideas, polish text they have drafted, or perform tasks that are not essential to completing the learning outcomes of the course (see this link for more information <https://www.siue.edu/faculty-center/resources/Syllabus-symbols.pdf>). Students are encouraged to keep drafts of assignments and logs of interactions with AI applications to demonstrate their contribution and original authorship, and to check what is permissible for each assignment. All assignments will be submitted via Turnitin, a tool with embedded AI detection.

STATEMENT ON SENSITIVE CONTENT

Some of the topics covered in this course will touch on sensitive issues. These include but are not limited to, mental illness such as anxiety and depression, including information on suicide, trauma and abuse, identity-based violence. Although you are not expected to share personal information in class, discussing these issues as a group is unavoidable. Please take the time to care for yourself and seek assistance at Counseling Services. You can learn more about their services by visiting <https://www.siue.edu/counseling/>. I also encourage you to speak with me. You do not need to share why the topic may be distressing, but by alerting me that you may not be able to participate during particular discussions, we can then work together to find alternate ways for you to engage with course topics.

COMMUNICATION

It is extremely important that you maintain communication with me. You are expected to check your email and to log on to the Blackboard course website daily. Announcements will be posted on BB (make sure your email notifications for announcements are turned on).

Please feel free to speak with me if you have any questions or concerns. The best way to ask a question is to see me immediately before or after class. It is important to meet with me as early as possible in the semester if you are struggling in the course.

Drop-in hours.

Drop-in hours (office hours) will be posted by Week 3 of the semester. You can come to drop-in hours for any reason without an appointment. Come in to talk about the course, your grade, or just to say hello! Outside of drop-in hours, if my door is open, feel free to pop in.

I will also be available for virtual drop-in office hours via Teams, no appointment necessary. During virtual drop-in hours, I will be available for live chat and live meetings on a first come, first served basis.

Schedule a meeting. You will use Microsoft Bookings (*note, I am in the process of setting up Bookings or a similar service; I will send a link via a BB announcement when I have an update). to schedule meetings with me. My availability is listed. Select the type of meeting (in-person or virtual) and the length of the meeting (15 or 30 minutes). Then, use the calendar to check availability on the day you'd like to meet. Find a time that works for you and leave me a brief description of what you would like to discuss. If you select a virtual meeting, I will call you via Teams at the scheduled time.

Email. You can email me at ashabra@siue.edu. I respond to emails as soon as possible, usually within 24 hours. If you have not heard back from me after 48 hours, feel free to send a follow up email. I try to respond to emails on weekends, I cannot guarantee that you will receive a timely response.

Questions about technology issues are usually more appropriate for ITS, but I will do my best to address the issue.

COURSE EXPECTATIONS

YOU ARE EXPECTED TO ARRIVE ON TIME TO CLASS! WHEN YOU ARRIVE LATE, YOU:

- Disrupt the instructor and your classmates

- May miss important announcements which will typically be made at the start of class

YOU ARE EXPECTED TO BE AN ACTIVE PARTICIPANT IN YOUR LEARNING. THIS MEANS YOU WILL:

- Come to all class prepared by having completed readings and assignments BEFORE class
- Participate meaningfully in classroom discussions and activities
- Check your university e-mail and Blackboard several times each week for announcements and feedback
- Communicate with me about questions and issues related to the course
- Contact help@siue.edu with your questions related to Blackboard and other technical difficulties.

YOU ARE EXPECTED TO BE A GOOD CITIZEN OF THE CLASSROOM. THIS MEANS YOU WILL:

- Use laptops, phones, and other devices for course related activities only (i.e. taking notes)
 - If I notice you using your phone or laptop for activities unrelated to the course, I may ask you to leave class for the day
 - Many studies have found that student learning is negatively influenced by distractions, including electronic devices (Dietz & Henrich, 2014; Mendoza et al., 2018)
- Cooperate in creating a safe, inclusive, and productive course climate

YOU SHOULD SPEND 2 HOURS OUTSIDE OF CLASS FOR EVERY 1 HOUR IN CLASS

EACH WEEK, YOU WOULD NORMALLY SPEND 2 HOURS AND 30 MINUTES IN CLASS – THIS MEANS YOU NEED TO INVEST AT LEAST 5 HOURS OUTSIDE OF CLASS FOR A MINIMUM OF 7.5 HOURS EACH WEEK FOR 16 WEEKS.

GRADES AND ASSIGNMENTS

GRADING SCALE

Please note it is your responsibility to keep track of your performance in the course. Grades are calculated on a straight percentage (i.e., no rounding).

Description	Point Range	Percentage Range	Letter Grade
Exemplary	900 - 1000	90 - 100	A
Good	800 – 899	80 – 89	B
Satisfactory	700 – 799	70 – 79	C
Poor	600 – 699	60 – 69	D
Failing	0 – 599	0 - 59	F

ASSESSMENTS FOR FINAL GRADE

Exams (3 @ 100 pts each)	1-8	30%	300

Profile Project	1-8	30%	300
Homework	1-8	30%	300
Discussion Assignments (5 @ 20 pts each)	1-8	10%	100
TOTAL POINTS			1000

ASSIGNMENTS

LATE POLICY

Late assignments will be penalized 25% per day and will not be accepted more than 5 days after the posted due date. An assignment is late if it is submitted any time after the time/date of the listed deadline. If you have a compelling reason why you believe you need an extension on an assignment, be sure to **discuss this with me as far in advance of the deadline as possible**. In the event of an unforeseen emergency, please contact me as soon as possible to discuss your options for completing the assignment.

The “No Questions Asked Pass”

THE “NO QUESTIONS ASKED PASS” GRANTS EVERY STUDENT **ONE, 24-HOUR EXTENSION** ON ANY ASSIGNMENT (EXCEPT THE FINAL PROFILE PROJECT), NO QUESTIONS ASKED.

TO USE YOUR PASS, **EMAIL BEFORE THE ASSIGNMENT IS DUE**. ALL YOU NEED TO SAY IS, “I’M USING MY PASS ON <INSERT ASSIGNMENT>.” THE LATE POLICY APPLIES TO ASSIGNMENTS NOT RECEIVED AFTER THE 24-HOUR EXTENSION PERIOD.

SUBMITTING ASSIGNMENTS

Written assignments, including discussion assignments and components of the profile project must be submitted on BB unless otherwise noted in the assignment. Assignments emailed to me will not be accepted!

PREPARATION AND PARTICIPATION

It is important that you not only attend class but engage in discussions and activities. I will take attendance at the beginning of class. Your participation is determined by how many classes you attend *and participate in*. Arriving late and/or failing to participate in class may result in an absence for the day (see below).

Remember, arriving late to class is disruptive, but, if you are running late, I would rather you come to class late than miss an entire day. If you are habitually late to class, you will be penalized – if you are more than 5 minutes late, 4 or more times throughout the semester it will count as an absence. This means the fourth time you arrive late, it will count as an absence; the fifth time you arrive late counts as another absence and so on.

Coming to class prepared means you have completed the readings and other assignments **before** class. You should be prepared to discuss, work in small groups, and complete other activities in class. If you do not or cannot participate because you are unprepared, this may count as an absence. If you are asked to leave class because you are sleeping or because of some other disruptive behavior, this will also count as an absence.

How will absences affect my grade?

Want to do well in class? Come. To. Class. You can't learn anything if you do not show up. At the very least you might learn something on accident! And, hey, if you already made that far and got to class, you may as well get something out of it!

By best advice for success in this class, in any class, and in life – just show up!

The Good. You can miss up to 4 class sessions and it will not affect your grade. These are absences that do not require documentation. If you are absent, **it is your responsibility to contact me about anything you may have missed in class.** When you miss two classes, you will receive a notification via Starfish which will enable you to access any resources you may find helpful.

The Bad. When you miss 5 or more classes it will affect your grade. **If you miss 5 or more classes, the highest grade you can earn in the course is a C.** Miss 6 classes, and the highest grade you can earn is a D. If you miss 7 classes, you will fail the course. These are absences that are undocumented and therefore unexcused. *Documented medical and family emergencies are considered excused absences and will not count against you.*

DISCUSSION ASSIGNMENTS (5 @ 20PTS EACH)

We will have 5 discussion days throughout the semester. On these days, you will be expected to contribute to the class discussion. Although I strive to create a classroom climate where every student feels safe to share their thoughts, I also know that many students find contributing to whole class discussions challenging. I recognize that contributions can take many forms. In this class, contributing to the class discussion can mean working one-on-one with another student on a pre-discussion activity, discussing in small student groups, and written exercises throughout the discussion. Following each discussion, you will complete a discussion assignment posted on BB.

It is extremely important that you avoid missing class on discussion days if possible. Discussion with your classmates is an invaluable exercise for deepening your understanding and increasing your critical thinking skills. If you must miss a discussion day, please see me to make arrangements for completing the discussion assignment.

PROFILE PROJECT

You will create a poster modeled on a social media profile or virtual museum exhibit that includes information about your figure or topic's contribution to the development of psychology. Along with this, you will write a 2-3 page, double-spaced reflection on the creation of your poster and a rationale for including the content you chose. More information about this assignment will be discussed in class and posted on BB.

EXAMS (3 @ 100PTS EACH)

You will take three exams throughout the semester. Exams will be given in class. The third exam will be cumulative.

Posting of exam scores. Exam scores will be posted on BB. Exams will not be reviewed during class time. If you would like to see your exam, please stop by during office hours or schedule an appointment.

HOMEWORK (6 @ 50PTS EACH)

You will complete 6 homework assignments throughout the semester. Homework assignments are intended to deepen your understanding of some of the most important course concepts, including how to actually 'do' history.

MAKE-UP EXAM POLICY

You must provide a valid and documented reason to be eligible for a make-up exam. You should do everything you can to make sure you are in class for the scheduled exam date. It is your responsibility to make arrangements with me to retake your exam.

PSYCHOLOGY DEPARTMENT POLICIES

POLICY ON PLAGIARISM

Plagiarism includes presenting someone else's words without quotation marks (even if you cite the source), presenting someone else's ideas without citing that source, or presenting one's own previous work as though it were new. When paraphrasing from another source or your own work, at the very least, the student should change the wording, sentence syntax, and order of ideas presented in the paper. Additionally, you should not submit a paper, or parts of a paper, written to fulfill the requirements of one class for the requirements in another class without prior approval of the current instructor and appropriate citation. Ideally, the student will integrate ideas from multiple sources while providing critical commentary on the topic in a way that clearly identifies whether words and ideas are those of the student or are from another source. Plagiarism is one type of academic misconduct described in SIUE's Student Academic Code (<http://www.siu.edu/policies/3c2.shtml>). University policy states that "Normally a student who plagiarizes shall receive a grade of F in the course in which the act occurs. The offense shall also be reported to the Provost." (<http://www.siu.edu/policies/1i6.shtml>). The University policy discusses additional academic sanctions including suspension and expulsion from the University. To ensure that you understand how to avoid plagiarism, we encourage you to review the information on plagiarism provided on the Department of Psychology web page at <http://www.siu.edu/education/psychology/plagiarism.shtml>.

SERVICES FOR STUDENTS NEEDING ACCOMMODATIONS

It is the policy and practice of Southern Illinois University Edwardsville to create inclusive learning environments. If there are aspects of the instruction or design of this course that result in barriers to your inclusion or to accurate assessment of achievement—such as time-limited exams, inaccessible web content or the use of non-captioned videos—please contact Accessible Campus Community and Equitable Student Support (ACCESS) as soon as possible. In order to properly determine reasonable accommodations, students must register with ACCESS either online at siue.edu/access or in person in the Student Success Center, Room 1203. You can also reach the office by emailing us at myaccess@siue.edu or by calling 618-650-3726. If you feel you would need additional help in the event of an emergency situation, please notify your instructor to be shown the evacuation route and discuss specific needs for assistance.

POLICY ON INCOMPLETE GRADES

It is the student's responsibility to officially withdraw from a course by the dates set by the University if the student is not intending to complete the course. Students who do not withdraw and have not completed the course will receive an F. Only under special circumstances a faculty member may agree to give a student an Incomplete (INC) grade in order to allow the student to complete the remaining work for the course no later than the end of the following semester. An INC is never automatic but must be approved by the professor. If a professor agrees to give a student an INC grade, the professor and the student will fill out a form (Memorandum of Incomplete Grade) indicating why an INC is being given. One copy of the completed form will be given to the student, one copy will be given to the professor, and the Department of Psychology secretary will keep one copy. If the work is not completed by the time specified on the Memorandum of Incomplete Grade form, the grade will be changed from INC to F.

WRITING POLICY

As a student in this course, you will be expected to display university-level writing, which includes completing course assignments that meet the following basic writing criteria. Specifically, all written assignments completed for this course should include:

- clear transitions from sentence to sentence and idea to idea (e.g., paper is organized/flows well)
- verb tense consistency
- clear and unambiguous sentences and ideas
- writing that is free of typos, spelling errors, and major grammatical errors
- properly formatted citations and references (if relevant)

This is by no means an exhaustive list of basic writing skills, but it will give you an idea of what we are looking for in our papers. If you feel you need help with your writing, you are encouraged to seek assistance from the writing center on campus (<http://www.siue.edu/is/writing>) or utilize one of the many online resources they have identified to help students (<http://www.siue.edu/is/writing/resources.shtml>). If your graded written assignments fail to meet the basic writing requirements listed above (and any others found to be appropriate by your instructor), the instructor will stop the grading process and return the paper to you (see below for the specific policy for this class). The penalty for unacceptable writing in this class is as follows: You will have one week to revise and resubmit your paper through Blackboard, and you will lose 10 points from the final grade.

SIUE PSYCHOLOGY DEPARTMENT TWITTER

By following our department's Twitter page (@SIUEpsychology) you will be able to get announcements, find out what is happening in the department, and learn more about recent psychology news. Also, this is also a great way to stay connected with the Department of Psychology after you graduate from SIUE.

SIUE POLICIES AND STATEMENTS

SIUE STATEMENT ON DIVERSITY

All societies and peoples have contributed to the rich mix of contemporary humanity. In order to achieve domestic and international peace, social justice, and the development of full human potential, we must build on this diversity. SIUE nurtures an open, harmonious, and hospitable climate that facilitates learning and work. Each member of the University is responsible for contributing to such a campus environment.

SIUE NONDISCRIMINATION POLICY

Southern Illinois University Edwardsville (SIUE) is a public comprehensive University committed to creating and maintaining a diverse community in which students, faculty, and staff can learn and work together in an environment free of discrimination and free from any form of illegal harassment. Such actions violate the dignity of the individual and the integrity of the University as an institution of learning. SIUE prohibits discrimination against employees, applicants for employment and students on the basis of age, color, disability, marital status, national origin, race, religion, sex, sexual orientation, or veteran's status. Discrimination in any form will not be tolerated; management and supervisory personnel, at all levels, are responsible for taking reasonable and necessary action to prevent discrimination.

ACADEMIC INTEGRITY

Students are reminded that the expectations and academic standards outlined in the Student Academic Code (3C2) apply to all courses, field experiences and educational experiences at the University, regardless of modality or location. The full text of the policy can be found here: <https://www.siu.edu/policies/3c2.shtml>.

RECORDINGS OF CLASS CONTENT

Faculty recordings of lectures and/or other course materials are meant to facilitate student learning and to help facilitate a student catching up who has missed class due to illness or quarantine. As such, students are reminded that the recording, as well as replicating or sharing of any course content and/or course materials without the express permission of the instructor of record, is not permitted, and may be considered a violation of the University's Student Conduct Code (3C1), linked here: <https://www.siu.edu/policies/3c1.shtml>.

POTENTIAL FOR CHANGES IN COURSE SCHEDULE OR MODALITY

As the COVID-19 pandemic continues, there remains a possibility that planned classroom activities will need to be adjusted. Depending on circumstances and following state-issued recommendations, potential changes include changes in course modality (e.g., transition from face-to-face to online) or in course scheduled meetings. These changes would be implemented to ensure the successful completion of the course. In these cases, students will be provided with an addendum to the class syllabus that will supersede the original version.

SERVICES FOR STUDENTS NEEDING ACCOMMODATIONS

Students needing accommodations because of medical diagnosis or major life impairment will need to register with Accessible Campus Community & Equitable Student Support (ACCESS) and complete an intake process before accommodations will be given. Students who believe they have a diagnosis, but do not have documentation, should contact ACCESS for assistance and/or appropriate referral. The ACCESS office is located in the Student Success Center, Room 1203. You can also reach the office by emailing us at myaccess@siue.edu or by calling 618-650-3726.

If you feel you would need additional help in the event of an emergency situation, please notify your instructor to be shown the evacuation route and discuss specific needs for assistance.

DIVERSITY AND INCLUSION

SIUE is committed to respecting everyone’s dignity at all times. In order to learn, exchange ideas, and support one another, our virtual and physical classrooms must be places where students and teachers feel safe and supported. Systems of oppression permeate our institutions and our classrooms. All students and faculty have the responsibility to co-create a classroom that affirms inclusion, equity, and social justice, where racism, sexism, classism, ableism, heterosexism, xenophobia, and other social pathologies are not tolerated. Violations of this policy will be enforced in line with the SIUE Student Conduct Code.

The Hub <https://www.siu.edu/csdi> is an excellent resource for students for support and community. Any person who believes they have experienced or witness`ed discrimination or harassment can contact Ms. Jamie Ball, Director in the Office of Equal Opportunity, Access and Title IX Coordination at (618) 650-2333 or jball@siue.edu. There is also an online form for reporting bias incidents at https://cm.maxient.com/reportingform.php?SIUEdwardsville&layout_id=10.
