## LIVING GUIDE

- The *Housing Living Guide* is a student handbook that includes general housing information, contract and room information, community guidelines, standards for student conduct, safety and security guidelines, and more.

# YOUR SAFETY

SIUE is committed to student safety. University Housing policies and partnerships support these efforts.

- Partnership with on-campus police
- Monitored entryways in residence halls
- Emergency blue light system in parking lots and on campus walkways
- Campus escort
- Rave Guardian App
- Housing staff is on-call 24/7

# LIVING IN A COMMUNITY

- Housing is not only a place to live and have community, but also a place to study and pursue academic interests.
- Maintaining a positive environment for students is of utmost importance.
- Know the community noise guidelines.
- Contact the Front Desk of your community to report a noise issue you cannot resolve civilly.

# LIVING WITH A ROOMMATE

- Complete the Roommate Questionnaire on the Housing application.
- Start having a conversation about expectations, particularly about sleeping and guests.
- Realize this is a shared space. Talk about how you want to set up the room and what you plan to bring.
- A healthy, successful roommate relationship starts with respecting and talking with one another.

# HOUSING STAFF

- Community Director
- Assistant Community Director
- Resident Assistant (RA)
- Desk Manager (DM)
