(Sessions will be repeated at 11:00)
- Session A: Accelerated Option Session - AH 1301**
This session will review admission requirements and curriculum information.

The Accelerated Option is for students with a prior bachelor's degree in another field that wish to pursue a second bachelor's degree in Nursing.
- Session B: RN to BS Option (for current registered nurses) 10:00 session only – West Conference Room – AH 2305**
This session will review admission requirements and program information for the on-line option available to students that are currently working as registered nurses.
- Session C: Master's Degree Programs & the new DNP (Doctor of Nursing Practice) Program – AH 3402**
This session will review admission requirements and program information for the Nurse Anesthesia, Family Nurse Practitioner, Nurse Educator, and Health Care & Nursing Administration Master's degree options.

The "new" DNP program will also be reviewed. The first cohort began Fall 2011.
- Session D: Financial Aid Opportunities – AH 2401**
This session will review information on how to finance your education.
- Session E: What's It Like to Be a Nursing Student? (For Students Only) – AH 0206**
In this session, prospective students will be able to meet with our current Nursing students who will share their own experiences and answer questions.
- 10:00 – 12:00 **School of Nursing Simulated Learning Center – 2nd Floor**
Walk in and visit our simulated labr which uses 7 mannequins to simulate life experiences for students in an interactive health care environment. Listen to a heart beat or lung sounds, see pupils dilate, and much more!
- 12:00 **Campus Tours (Sign up at University Admissions table in the MUC at check-in time)**
