

“Empowering Nursing Excellence in Action”
SIUE School of Nursing - High Impact Campaign
FY18 and FY19 - Goal \$125,000

Contributions to the High Impact Campaign support the continued growth, success and impact of the SIUE School of Nursing. Alumni, clinical partners, faculty and friends make an important difference in the advancement of our School, academic programs, and ultimately on the quality of nursing care provided in our region, state and nation. The following funding priorities reflect important and emerging needs of the School.

I. DEAN'S LEADERSHIP SOCIETY (Fund # 3608) (\$20,000/Goal)

Gifts to the Dean's Leadership Society help launch the following strategic initiatives and position the SIUE School of Nursing, our students and alumni at the forefront of nursing excellence:

Gifts support the cost of travel and other related expenses for nursing students to participate in international university exchange programs, and medical mission trips to developing communities around the globe.

- **Simulated Learning Center for Health Sciences (SLCHS)**

Gifts support SLCHS computer, equipment and technology enhancements that deliver state-of-the-art simulated patient care experiences that distinguish our students of nursing.

- **SIUE WE CARE Clinic**

III. SCHOLARSHIPS (Fund #7180/SON Annual Scholarship Fund - other funds available online) (\$40,000/Goal)

In these challenging times, annually funded and endowed scholarships help attract and retain the region's most talented, diverse and deserving students. The School seeks to significantly increase the number of annual and endowed scholarships available. As the CRNA program grows, the need for scholarships for students increases. Dr. Jackie Clement has generously stepped forward to ask CRNA alumni to “pay-it-forward” by offering to match all gifts made to the Clement Scholarship Endowment Fund on a “\$1 to \$1” basis, up to a total of \$5,000 per year.

V. SCHOOL OF NURSING's GENERAL DEVELOPMENT NEEDS (Fund #3601) (\$20,000/Goal)
