UNDERGRADUATE RESEARCH AND CREATIVE ACTIVITIES PROGRAM Interim Report - For Student and Faculty Mentor(s)

To the Student: Please complete this signature sheet along with a separate typed narrative (no longer than a page) and share it with your mentor(s). Please turn in this signature sheet and your typed response to Dr. Belasen (AH 3144) by December 13th. Your narrative should address the following questions regarding your URCA project:

1. How is your project progressing?
2. What percentage of the project/activity do you feel you have completed at this time? Do you foresee any impediments to bringing your project to completion?

To the Mentor(s): Please briefly respond to the following questions regarding your student's project. Email your responses to Ariel Belasen at abelase@siue.edu by December 13th.

1. What percentage of the project has your student completed at this time?
2. Is your student's progress satisfactory? Please explain.
3. Will your student's project be completed in time for the Symposium (by late March)?
4. Is there any reason why your student should not receive his or her stipend for the fall semester?

TO THE STUDENT: Attach your report to this signature sheet and turn in to Dr. Belasen (AH 3144) by December 13th.
