CASINO QUEEN'S FULL-SERVICE RV PARK OPENS FOR THE SUMMER SEASON

*St. Louis area's premier RV park offers abundant amenities that
make for a great summertime vacation*

EAST ST. LOUIS, Ill., June 6, 2011. . . As the official start to summer nears and area residents begin to plan their vacations, the Casino Queen announced today that its RV park is open for the 2011 season. Located directly across the Mississippi River from the Gateway Arch, Casino Queen's RV park is not only perfectly situated, but also is loaded with amenities that enhance the RV experience, and it's all just steps away from the action, entertainment and exceptional dining offerings inside the casino.

Facing the beautiful downtown St. Louis skyline, the full-service RV park provides convenient amenities, including hook-ups to cable television and internet, bath and laundry facilities and a convenience store. With RV vacations being 26 to 74 percent less expensive than other types of vacations on average, according to PFK Consulting, Casino Queen's RV park is a great destination to experience the RV life while being able to expand the vacation by visiting some of the St. Louis area's hottest attractions. MetroLink serves the Casino Queen, giving RV vacationers easy access to Busch Stadium, Laclede's Landing, the Gateway Arch and the St. Louis Zoo, to name a few.

"The RV park is just another example of how we work to provide our patrons with fun and exciting ways to get more out of their entertainment dollars," said Jeff Watson, general manager of the Casino Queen. "Each year, many RV travelers return to the Casino Queen knowing they'll get a great value for their vacation."

The RV park will be open May 28 through September 5. To make reservations, call 1-800-777-0777.
