Media Advisory

Speednetworking returns to SIUE

- What:** Networking event that replicates speed dating
- When:** Tuesday, March 23 from 6 p.m. to 8 p.m.
- Where:** Meridian Ballroom in the Morris University Center

Sponsored by STAT, the Office of Educational Outreach and the Alumni Association, the Speednetworking event offers students the opportunity to network with SIUE alumni, learn how to make good first impressions and build relationships with professionals from different career sectors.

The event will be set up much like a speed dating event. Students will be given 12 minutes to network at a table of eight alumni. When the 12 minutes are up, the students will move to the next table.

A pre-reception for all alumni will begin at 6 p.m. held in the Mascato Room. Light refreshments will be served. This will give alumni a chance to speak with other alumni about post-college success.

For more information, contact Lauren Hayes, Alumni Affairs, at (618) 650-2760 or lahayes@siue.edu.
