How did the Smith family work together to build a tree house?

The Smith family worked together to build a tree house by not arguing by not arguing in a color on the while a family each house going what to use the knowledge because the mom he as a ham in her imo the there were si and if he was

and heard ~~dad~~ The dad
was giving the little boy
the give to the little
girl to give to the mom
and the mom said we
need to give the house
more welcoming so the
dad puted a circle on the
wall to give some
light.
