Life changing opportunities at no cost to you!

"To the thirsty I will give from the spring of the water of life without payment."
Revelation 21:6

How is it no cost?

Ministry Partner Development:

Clearly there is a cost involved in making a trip or event happen, but where exactly does the money come from? Ministry partner development is the process in which those attending the events or conferences have the opportunity to contact family, friends, churches, etc. and inform them of the purpose behind the trip they are taking and request financial support. This system is designed in a way that allows others to be a part of your ministry by making it possible financially as well as supporting you through prayer.
